

Subpart D—Grant Application, Eligibility, and Award Requirements

§ 641.400 What entities are eligible to apply to the Department for funds to administer SCSEP community service projects?

(a) *National grants.* Entities eligible to apply for national grants include nonprofit organizations, Federal public agencies, and Tribal organizations. These entities must be capable of administering a multi-State program. State and local agencies may not apply for these funds.

(b) *National grants in a State.* Section 514(e)(3) of the OAA permits nonprofit organizations, public agencies, and States to receive SCSEP funds when a national grantee in a State fails to meet its performance measures in the second and third year of failure. The poor performing grantee that had its funds competed is not eligible to compete for the same funds.

(c) *State grants.* Section 506(e) of the OAA requires the Department to enter into agreements with each State to provide SCSEP services. States may use individual State agencies, political subdivisions of a State, a combination of such political subdivisions, or a national grantee operating in the State to administer SCSEP funds. If the State's funds are competed under section 514(f) of the OAA, other agencies within the State, political subdivisions of a State, a combination of political subdivisions of a State, and national grantees operating in the State are eligible to apply for funds. Other States may not apply for this funding.

§ 641.410 How does an eligible entity apply?

(a) *General.* An eligible entity must follow the application guidelines issued by the Department. The Department will issue application guidelines announcing the availability of State and national SCSEP funds whether they are awarded on a competitive or non-competitive basis. The guidelines will contain application due dates, application instructions, and other necessary information. All entities must submit applications in accordance with the Department's instructions.

(b) *National grant applicants.* All applicants for SCSEP national grant funds, except organizations proposing to serve older American Indians, must submit their applications to the Governor of each State in which projects are proposed before submitting the application to the Department. (OAA sec. 503(a)(5)).

(c) *State applicants.* A State that submits a Unified Plan under WIA section 501 may include the State's SCSEP community service project grant application in its Unified Plan. Any State that submits an SCSEP grant application as part of its WIA Unified Plan must address all of the application requirements as published in the Department's instructions. State Plan applications and modifications are addressed in §§ 641.340 and 641.345.

§ 641.420 What factors will the Department consider in selecting grantees?

The Department will select grantees from among applicants that are able to meet the eligibility and responsibility review criteria at section 514 of the OAA. (Section 641.430 contains the eligibility criteria and §§ 641.440 and 641.450 contain the responsibility criteria.) If there is a full and open competition, the Department also will take the rating criteria described in the Solicitation for Grant Application or other instrument into consideration, including the applicant's/grantee's past performance in any prior Federal grants or contracts for the past 3 years.

§ 641.430 What are the eligibility criteria that each applicant must meet?

To be eligible to receive SCSEP funds, each applicant must be able to demonstrate:

(a) An ability to administer a program that serves the greatest number of eligible participants, giving particular consideration to individuals with greatest economic need, greatest social need, poor employment history or prospects, and over the age of 60;

(b) An ability to administer a program that provides employment for eligible individuals in communities in
